Ring wants to help reduce crime and increase safety in Polk County.

Ring is excited to propose a solution to the Polk County Sheriff's Office to help reduce crime and assist with investigations in your community.

Program Description

This program will provide the Polk County Sheriff's Office access to the Ring Neighborhoods platform to communicate with Ring Neighbors, view Neighbor supplied video, determine general camera density/location and encourage community engagement as we work together to make Polk County neighborhoods safer.

- o The Ring Neighborhoods platform is a digital neighborhood watch that both law enforcement and the public can access free of charge by downloading the Ring mobile app (iOS and Android).
- o The app allows Ring Neighbors to share and comment on real time crime and safety events in their neighborhood.
- O As part of the program, Polk County Sheriff's Office may:
 - > Utilize the critical crime and safety events that are posted in the app by neighbors to assist in law enforcement operations and investigations; and
 - > Post information relating to critical incidents and other incidents in the app to keep neighbors informed regarding issues in their neighborhoods.

Responsibilities

Ring Will:

- o Make the Ring app available to Polk County Sheriff's Office free of charge.
- Donate Ring cameras to Polk County Sheriff's Office or area of Polk County on the number of qualifying downloads of the app that result from the program. Each qualifying download will count as \$10 towards these free Ring cameras.
- o Make the Ring Neighborhoods portal available to Polk County Sheriff's Office, free of charge, including support and training for Polk County Sheriff's Office employees.

Polk County Sheriff's Office will:

- o Choose how the free Ring cameras should be distributed. There are two options.
 - > Cameras will be donated directly to Polk County Sheriff's Office who will then distribute these cameras to the community as part of its outreach programs.
 - Ring will directly distribute these cameras to the local community, with input from Polk County Sheriff's Office.
- o Maintain appropriate access controls for Polk County Sheriff's Office personnel to use the Ring Neighborhood Police portal.

Term

Polk County Sheriff's Office participation in the program shall commence upon Polk County Sheriff's Office acceptance of these program terms. Either party may terminate Polk County Sheriff's Office participation in the program at any time upon providing written notice to the other party. The Ring Neighborhoods Portal will be available to Polk County Sheriff's Office by 5/7/18.

Press Release

The parties shall agree to a joint press release to be mutually agreed upon by the parties.

Privacy and Terms of Use

Ring will not provide any customer personal information, including video footage, to Polk County Sheriff's Office without the prior consent of the owner. Polk County Sheriff's Office agrees not to use the Ring Neighborhoods Police Portal other than as expressly authorized by Ring and other than in connection with bona fide Polk County Sheriff's Office business. Ring's terms of service and privacy notice, as posted on Ring.com, shall apply to all uses of the Ring app and Neighborhoods Police Portal.

Compensation

At no point, shall either party receive compensation from each other because of this program.

About Ring

Ring is on a mission to reduce crime in neighborhoods. With a Ring Video Doorbell at your door and Security Cameras around the home, you can create a Ring of Security around your entire property and stop crime in its tracks.

Ring Video Doorbells and Security Cameras send you instant alerts on your phone, tablet and PC whenever motion is detected. Answer the alert, and you can see, hear and speak to people on your property from anywhere. If you catch something suspicious, Ring Neighborhoods also lets you share the videos with neighbors and local law enforcement, so you can all work together to reduce local crime.
